- A. The Delran Township Board of Education, pursuant to Chapter 123, Public Laws of New Jersey, 1974, hereby recognizes the Delran Education Association as the exclusive negotiating representative for all certified personnel and support staff for the purpose of collective negotiations excluding the superintendent, principals, Assistant to the Board Secretary, substitutes, aides, and all other administrative positions created for the duration of this contract. The following are included: teachers, specialists, nurses, librarians, non-certified subject matter area coordinators, guidance counselors, athletic trainers secretaries, clerks, library assistants, non-print media clerks, , keypunch-computer operator, instructional aides, utility, custodians, groundskeepers, maintenance, bus drivers, mechanics, mechanic helper, and any equivalent positions which may be created by the Board.
- B. Definitions
 - 1. Unless otherwise indicated, the term "Negotiations Unit Member" (NUM), "employee", and "member" when used in this agreement shall refer to all employees represented by the Delran Education Association in the negotiations unit above defined.
 - 2. Unless otherwise indicated, the term "teacher" when used in this agreement shall refer to all those employees who are required to hold appropriate certificates issued by the State Board of Examiners.
 - 3. Unless otherwise indicated, the term "support staff" and "educational support professionals" (ESP) when used in this agreement shall refer to all those employees who are not required to hold certificates issued by the State Board of Examiners as a term and condition of employment.
 - 4. The term "he" shall refer to both male and female employees.

5. The term “spouse” shall refer to domestic partners, married partners, and civil union partners.
- C. The Association recognizes the Board as the representative of the government of the State of New Jersey and the members of the negotiating committee as the representative of the full Board entrusted with the obligations to negotiate in good faith on behalf of the Board.
- D. The Association recognizes the District Superintendent as the representative of the Board when matters of joint concern necessitate meetings during school hours, immediately after school, or at any time when the chairman or any members of the Board's negotiating committee cannot be present. The Superintendent will act in a supervisory capacity only and will not make any policy binding upon the Board.

ARTICLE III --- Negotiation Procedure

- A. Negotiations for a successor agreement to this agreement shall begin no later than the date established by the Public Employees Relations Commission. Any tentative agreement so negotiated shall apply to all NUMs and will be reduced to writing and signed by the negotiations committee for the Board and the Association. The full Board has the right to review and approve or reject the tentative agreement reached by its negotiations committee.
- B. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party.
- C. During negotiations, the Board and the Association shall present relevant data, exchange points of view, and make proposals and counter proposals.
- D. The Board agrees to make available for inspection or copying, in response to reasonable requests from time to time, all public information including the tentative budgetary requests and allocations.
- E. Negotiations meetings between parties and/or their representatives shall take place a minimum of once a month for the purpose of reviewing the contents and administration of this agreement and how to solve problems that may arise concerning it.

These meetings, which are not intended to by-pass the grievance procedure, shall be conducted in accordance with the following basis for procedure, unless otherwise determined by the participants as a necessity for expediency:

1. The Delran Education Association shall present to the Superintendent its suggested agenda and full proposal for the next academic year no later than the date established by the Public Employees Relations Commission.
2. Prior to the adjournment of the initial negotiations meeting and each meeting thereafter, an informal memorandum of understanding with reference to that

meeting shall be prepared; and there will be established a tentative date, time, place, and agenda for the next meeting.

3. Participants may add agenda items by contacting the chairmen of both committees who will be responsible for checking the agenda and distributing it to all participants three (3) days prior to each meeting.
4. Meetings shall be conducted by the chairman of the negotiating committee that is making the presentation.
5. The Delran Township Board of Education recommends that it is most desirable that all Negotiations Unit Members representing the negotiating team be personnel with tenure in the Delran Township School District.
6. All meetings between the parties shall be regularly scheduled when such meetings do not conflict with Board meetings and when the majority of both committees can be present.
7. Special meetings may be called at the request of either party. Requests for a special meeting must be presented to the chairmen. Within three (3) days of the receipt of the request, the chairmen shall arrange for an agreeable date and time for a meeting. The party requesting the meeting shall, at the time of the request, submit written proposals or questions to the chairmen and the chairmen shall arrange for the distribution of the material. The special meeting shall be held within ten (10) days of the receipt of the request. It is understood that the agenda of special meetings shall be limited to that purpose.
8. Both parties may call upon consultants to participate in meetings. This in no way prohibits the Association or Board representatives from discussing other negotiations with other Boards of Education. For example, the Superintendent, the Board of Education President, D.E.A. President, N.J.E.A. representatives, the Board of Education Solicitor, etc.
9. Recommendations for the agreement made by each negotiating representative are not binding on either party until accepted by the Board and the Association.
10. The negotiated agreement shall be approved or rejected by the membership of the Association and the Board, to the extent possible within fourteen (14) business days from the date of the meeting when the tentative agreement had been reached.
11. If rejected, the rejection must include a meeting date when counterproposals shall be made by the non-agreeing party.
12. If there is non-agreement, the party must make counterproposals or give in good faith reasons for not doing so. If the point is reached after several proposals and counterproposals whereby the Board and Association are unable to agree, they shall establish procedures as outlined within Chapter 123, New Jersey Public Laws of 1974.

ARTICLE IV --- Grievance Procedure

A. Definitions:

1. Grievance: A "grievance" is a claim by a Negotiations Unit Member of the Association based upon the interpretation, application, or violation of this agreement, policies, or administrative decisions affecting a Negotiations Unit member or a group of Negotiations Unit Members.
2. Aggrieved Person: An "aggrieved person" is the person or persons, or the Association making the claim.
3. Party in Interest: A "party in interest" is the person or persons making the claim and any person including the Association or the Board, who might be required to take action or against whom action might be taken in order to resolve the claim.
4. To be considered under this procedure, a grievance must be initiated in writing by the Negotiations Unit Member, or the Association within thirty (30) calendar days from the time when the Negotiations Unit Member or Association knew or should have known of its occurrence.
5. The thirty (30) day calendar day requirement will be waived in all cases where the matter to be considered shall have occurred between June 30 and the first Negotiations Unit Members work day of the succeeding year.

B. Purpose: The purpose of this procedure is to secure, at the LOWEST possible level, equitable solutions to these problems which may from time to time arise affecting Negotiations Unit Members. Both parties agree that these proceedings will be kept as informal and as confidential as may be appropriate at any level of the procedure.

C. Procedure:

1. If time limits are exceeded at each level by the Grievant/Association, the grievance shall be deemed withdrawn or abandoned. Failure of the principal or Superintendent to respond to the grievance within the specified time limit shall automatically result in advancement of the grievance to the next step.
2. Year-end grievances: In the event a grievance is filed at such time that it cannot be processed through all the steps in this procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to the party in interest, the time limit set forth herein shall be reduced so that the grievance procedure may be exhausted as soon thereafter as it is practical.
3. It is understood that grievants shall, during and notwithstanding the outcome of any grievance, continue to observe all assignments and applicable rules and

regulations of the Board until such grievance and any effect thereof shall be fully determined.

Level I - Principal or Immediate Supervisor

A Negotiation Unit Member with a grievance shall first discuss it with his/her principal or immediate superior, either directly or through the Association's designated representative, with the objective of resolving the matter informally. If the aggrieved person is not satisfied with the disposition as a result of the discussion, he/she shall submit the grievance in writing to the principal within ten (10) school days of the meeting. The principal shall respond in writing within ten (10) school days.

Level II - Superintendent

If the aggrieved person is not satisfied with the disposition of the grievance at Level I or if no decision has been rendered within ten (10) school days after the presentation of the grievance, he/she may file the grievance in writing with the Association within five (5) school days after the decision at level one or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association shall refer it to the Superintendent of Schools. The superintendent shall reply in writing within fifteen (15) school days.

Level III - Board of Education

If the aggrieved person is not satisfied with the response at the Superintendent's level, he/she may request that the Board review the decision. Such request must be made within ten (10) days of the Superintendent's written response or within ten (10) days from the latest date on which the Superintendent should have responded under the terms of Level II above, whichever is earlier. The aggrieved shall, at the time of his/her request, provide all information which he/she wishes the Board to consider in reviewing the grievance. The Board shall review the written submission of the aggrieved, together with other documentation relevant to the grievance and shall make a decision within thirty (30) days of the aggrieved's request for Board review. The Board's decision shall be transmitted in writing to the aggrieved.

If the aggrieved person is not satisfied with the decision of the Board, he/she may within five (5) school days of receipt of the Board's decision ask the Association to submit said grievance to arbitration.

Within twenty (20) school days the Association shall decide whether to file for arbitration. If the Association fails to file for arbitration within that time period, the grievance shall be deemed abandoned.

Level IV - Arbitration

Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to

agree upon an arbitrator or are unable to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association. The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly. The arbitrator shall issue his/her decision no later than twenty (20) days from the date of the close of the hearings, or if oral hearings have been waived, then from the date the final statements and proofs were submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decisions that require the commission of an act prohibited by law or which is violative of the terms of this agreement. The decision of the arbitrator shall be final and binding on the parties.

The cost for the services of the arbitrator, including per diem expenses, if any, and actual necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Negotiations Unit Member

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself or representation selected or approved by the Association. When a Negotiations Unit Member is not represented by the Association, the Association shall have the right to present and to state its views at all stages of the grievance procedure.
2. No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. Group Grievance

If in the judgment of the Association, a grievance affects a group or class of Negotiations Unit Members, the Association may submit such grievance in writing to the Superintendent directly; and the processing of such grievance shall be commenced at Level II. If the group or class of NUMs all report to the same administrator, the grievance shall be processed at Level I.

- A. The Association may process such a grievance though the aggrieved person does not wish to do so.

2. Written Decisions

Decisions rendered at Level I which are unsatisfactory to the aggrieved person and all decisions rendered at Level II of the grievance procedure shall be in

writing, setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Association.

3. Separate Grievance File

All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

4. Forms

Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared by the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

5. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this article. There shall be no time off with pay to attend preparation meetings for such hearings.

ARTICLE V --- Negotiations Unit Members' Rights

- A. Pursuant to Chapter 123, Public Laws 1975, the Board hereby agrees that every employee of the Board eligible in the negotiating unit defined in Article II of this agreement shall have the right to freely organize, join and support any employee organization.
- B. Nothing contained herein shall be construed to deny or restrict to any NUM such rights as he/she may have under New Jersey School Law.
- C. No member shall be disciplined or reprimanded without just cause.
- D. Whenever any Negotiations Unit Member is required to appear before any administrator or supervisor, Board, or Committee thereof concerning any matter which does or may adversely affect the continuation of the Negotiations Unit Member in his/her employment or the salary or any increments pertaining thereto, then he/she shall be given prior written notice of the reasons for such meeting or interview. He/she shall be entitled to have representation of the Association or of his/her choosing present to advise him/her and represent him/her during such meeting or interview.
- E. Any question or criticism by a supervisor, administrator, or Board member of a Negotiations Unit Member and/or his/her instructional methodology shall be made in confidence and not in the presence of students or parents or at other public gatherings.
- F. Negotiations Unit Members' official files shall be maintained in accordance with the

following:

1. No material derogatory to a Negotiations Unit Member's conduct, service, character, or personality shall be placed in his/her personnel file unless the Negotiations Unit Member has had an opportunity to review and discuss the material with an appropriate administrator or his/her immediate supervisor. The Negotiations Unit Member shall acknowledge that he/she has had opportunity to review such material by affixing his/her signature to the copy to be filed, with the understanding that such signature in no way indicates agreement with the contents. The Negotiations Unit Member shall have the right to submit a written answer to such material and his/her answer shall be reviewed by the Superintendent and attached to the file copy.
 2. Derogatory material shall be expunged from the member's file after three (3) years, provided that there has been no occurrence of similar offense involving the member during that three (3) year time period.
- G. No member shall be reduced in rank or compensation or deprived of any professional advantage without just cause.
- H. Children of NUMs who reside outside of the district may enroll in district schools. The NUM will be responsible for fifty percent (50%) of the tuition normally charged for out of district tuition. The Board may deny enrollment to a NUM's child in this circumstance if such enrollment would require the hiring of additional staff. Student enrollment must be prior to state enrollment reporting deadlines.

ARTICLE VI --- Association Rights

- A. The Board will make available when requested a register of personnel names and addresses of all Negotiations Unit Members and their respective salaries. Such requests will be honored in a timely fashion.
- B. Whenever any representative of the Association or any individual Negotiations Unit Member is mutually scheduled by the Board and the Association to participate during working hours in negotiations, grievance proceedings, conferences or meetings between the above named parties, he/she shall suffer no loss in pay. The Board and the Association will not disrupt regular class routine.
- C. The Association and its representatives shall be permitted use of the school buildings at reasonable hours to hold meetings provided that this does not interfere with or interrupt school operations, does not conflict with Board approved activities or facility rentals, does not require buildings to be opened at times they are normally closed, and does not require additional janitorial or maintenance time. A schedule of the date, time, and location of regular executive and general meetings of the Association shall be submitted by September 1 of each year. Not less than one (1) day advance notification shall be given of additionally scheduled Executive and General Meetings.

- D. The Association shall be permitted to use school owned facilities and equipment such as fax machines, typewriters, photocopying equipment, adding machines (excluding that of the Board Secretary), and audio-visual equipment at reasonable times when such equipment is not otherwise in use. The Association will designate certain of its members as a committee responsible for all duplication of materials, and only this committee will have access to the above named equipment. Instructions on the proper use of all equipment will be provided by the Board. The Association shall pay for all materials and supplies incidental to such use. The Association shall be responsible for such equipment while using it and will reimburse the Board for any damages to or loss of the equipment while in such use.
- E. The Association shall have in each school building the use of a bulletin board in each staff lounge and dining room. The Association shall also be allowed space on the bulletin board in the central office of each school for Association notices. Copies of all materials to be placed on such bulletin boards shall be given to the building principal for informational purposes.
- F. The Association shall have the privilege of using the inter-school facilities, district e-mail, and school mailboxes so long as it does not disrupt mail distribution for school operations.
- G. Negotiations Unit Member Orientation programs for new Negotiations Unit Members shall be co-sponsored by the Board and the Association, with the Association obligated to assume such costs as may be mutually agreed upon during the planning of such programs.
To the extent prohibited by law, the Board shall not be expected to assume the cost of purely social events conducted as part of such orientation programs nor shall the Association be expected to assume the cost of speakers, consultants, professional in-service training activities of the Board of Education.
- H. The Association President shall not be assigned any duties.

ARTICLE VII --- Rights and Responsibilities of the Board

Subject to rights and privileges to the Association herein, the Board retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested including the right:

- A. To the executive management and administrative control of the school system and its properties and facilities, to maintain the efficiency of school district operations entrusted to the Board, and to determine the methods, means and personnel by which such operations are to be conducted, except as provided in this agreement.
- B. To hire all employees, determine their qualifications, conditions and continued employment, dismissal, demotion, promotion, transfer, or to take what disciplinary action as may be required, except as provided in this agreement.

- C. To determine work schedules; place of work; transfers of employees; the right to contract or subcontract any work to any person, persons, corporation, or association; and the right to eliminate any job and/or job classifications as designated herein, except as provided in this agreement.
- D. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board; the adoption of policies, rules, regulations and practices in furtherance thereof; and the use of judgment and discretion in the connections therewith shall be limited only by the specific and express terms of this agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the United States, except as provided in this agreement.

ARTICLE VIII --- Association Personal Leave

All Negotiations Unit Members

- A. Death in immediate family up to four (4), school days per occurrence. Immediate family shall mean spouse, parent, child, brother, sister, mother-in-law, father-in-law, grandchildren and grandparents (defined as grandparents of NUM). One (1) day shall be granted for all other family members.

In the event that the deceased had lived more than two hundred (200) miles one way from the employee's residence, an additional day shall be granted.

- B. Personal Leave

- 1. Three (3) days for personal reasons will be granted to all employees.

- 2. Such requests for personal reasons shall be submitted two (2) days in advance to the building principal for approval except in cases of emergency when this requirement may be waived by the building principal. Such approval shall not be unreasonably denied. Personal days will not be granted on a day prior to or immediately following a holiday or recess, during the first and last week of school, or at a time when absence will seriously hinder the overall operation of the school, e.g. parent conference days, except in the event of an emergency.

- 3. The number of unused personal days in any year shall accumulate for the purpose of sick leave from year to year, or the NUM can designate a number of these unused personal days to accumulate as family-illness days to be used in future years.

- C. Jury Duty

- 1. Any employee serving on jury duty shall receive all benefits. Any payment received on jury duty shall be returned to the Board, and the employee will receive his/her regular compensation.

- D. Maternity Leave

1. The Board shall grant maternity leave without pay to any Negotiations Unit Member upon request subject to the following stipulations and limitations:
 - a. A NUM with less than three (3) years of working experience in the Delran Township Schools shall be granted a child-rearing leave, without pay, for the remainder of the current school year in which the child is born or adopted.
 - b. A NUM with more than three (3) years of consecutive experience in the Delran Township Schools shall be granted a child-rearing leave, without pay, for the remainder of the current school year in which the child is born or adopted and for one (1) additional school year immediately thereafter. A "school year" is defined as the following July 1 through June 30 period. This request for extension for one additional school year shall be made in writing to the Superintendent of Schools not less than ninety (90) days prior to the end of the current school year in which the child-rearing leave began.
 - c. If a NUM desires to return at the beginning of any marking period rather than at the beginning of a school year, she/he shall so notify the Superintendent in writing at least seventy five (75) days before the beginning of that marking period. Nothing in this language shall prevent a NUM and the Board from agreeing that a NUM may return on other than the beginning of a marking period if such return is acceptable to both parties.
 - d. In order to receive a leave under a. or b. above, the NUM must apply for it in writing at least sixty (60) days before its commencement. In the case of adoption, since the date of custody cannot be predicted in all cases, notice shall be given in writing at least sixty (60) days prior to the anticipated date of custody if possible and, if not, as soon as practicable.
 - e. The employee's return to the same building, grade, or special assignment shall not be guaranteed, but arranged whenever possible upon the recommendation of the Superintendent.
 - f. No Negotiations Unit Member shall be required to leave work because of pregnancy at any specific time prior to expected childbirth or be prevented from returning to work solely on the ground that there has not been a time lapse of specific duration between childbirth and the desired date of return.
 - g. The Board shall not remove any Negotiations Unit Member from her duties during pregnancy unless the member cannot produce a certificate from her physician that she is medically able to continue working.

- h. The Board shall not discriminate against any person in violation of N.J.S.A. 10:3-1 et seq., The Law Against Discrimination, nor in violation of the Constitution of the United States.

2. Return from leave:

- a. Upon return from leave granted pursuant to this article, the NUM shall be placed on the appropriate step on the salary schedule. Employees who work ninety-three (93) days or more in the year in which their leave commences or ends shall receive one (1) year credit for purposes of guide placement.
- b. All benefits to which a NUM was entitled at the time of her leave of absence commenced, including unused accumulated sick leave, shall be restored upon her return in accordance with the rules of the insurance carriers.

E. Pay for accumulated unused sick leave:

Upon retirement or death, NUM shall be paid thirty dollars (\$30.00) for the first one hundred (100) days of unused accumulated sick leave. Upon retirement or death, NUM shall be paid fifty dollars (\$50.00) for each day of unused accumulated sick leave in excess of one hundred (100) days. Payment will be made over two (2) years – the first payment July 1 after retirement and second payment the following July.

- 1. Explore implementation of an enhanced sick leave reimbursement program during the term of the agreement.

F. Leaves of absence:

- 1. The Board agrees that one (1) member designated by the Association shall, upon request, be granted a leave of absence, without pay, for up to two (2) school calendar years for the purpose of engaging in activities of the Association.
- 2. A leave of absence, without pay, may be granted for the purpose of caring for a sick member of the member's immediate family, or a member of the household for whom the member is legally receiving an income tax deduction.
- 3. A member shall be granted adoption leave in accordance with the conditions set up for maternity leave.

ARTICLE IX --- Negotiations Unit Members' Employment

- B. The Board will follow state law concerning credit for previous teaching experience and military service.
- C. Negotiations Unit Members shall be notified in writing of their contract and salary status for the ensuing year no later than May 15 of the school year.
- D. The contract shall be returned within fifteen (15) school days.
- E. At the time a newly employed NUM is in receipt of a signed contract from the Board of Education, the said member shall also receive from the Board a copy of the current agreement between the Board and the Association.
- F. Registration for workshops that NUMs wish to attend will be paid for by the NUM initially. Approval for workshop reimbursement will be based on the following criteria:
 - 1. All requests for workshop reimbursement shall be reviewed by the Superintendent.
 - 2. The NUM will agree to make a written report to the Superintendent following attendance of the workshop.
 - 3. The NUM will agree to make a presentation to fellow faculty members following the attendance of the workshop.
 - 4. Upon completion of items 2 and 3, the NUM will submit a voucher for payment of the cost of registration for the workshop.
 - 5. The number of participants shall be determined by the Superintendent as to the number to be allocated to each school.
 - 6. When applications are received, they shall be approved as to subject and in order of the NUM's greater number of years of continuous service.
 - 7. Workshop registration, whether prescribed or requested by the NUM, will be paid by the Board of Education including workshops attended on Saturdays.

ARTICLE X --- Salaries

- A. The salaries of all Negotiations Unit Members covered by this agreement are set forth herein.
- B. Paychecks

Negotiations Unit Members' paychecks shall be issued on the fifteenth (15th) and last day of the month. A schedule of pay dates will be issued by the Board each year. The Association and the Board recognize and agree that some flexibility in this schedule must be provided at certain times of the year due to staff vacations and other pressing needs,

i.e., specifically during the winter and spring breaks, during the first week in September, and during the first week in June; therefore, reasonable modifications and deviations from this bimonthly payday will be permitted. Negotiation Unit Members shall receive their pay schedule for the next school year in June of the preceding school year. When a payday falls on or during a school holiday, vacation, or weekend, the members shall receive their paycheck on the last previous working day.

- C. The Board will authorize the Secretary to make additional deductions for Negotiations Unit Members as prescribed by law.
- D. Negotiations Unit Members shall receive their final paychecks on the last teacher day in June, except those who have chosen the twelve (12) month summer payroll deduction.
- E. Negotiations Unit Members may independently elect to have a portion of their salary withheld and deposited to their credit union and/or deposited for tax deferred annuities upon executing appropriate payroll authorization forms. Such deposits will occur twice a month.
- F. The salary guides for school years **2013-2014, 2014-2015, and 2015-2016** are attached at the end of this agreement.

Newly hired teaching NUMs shall be granted up to seven (7) years experience on the guide. In addition, the Board may grant credit for teaching experience over seven (7) years. Newly hired non-teaching NUMs will begin at the first step of the salary guide unless they have previous equivalent full-time work experience in the position for which they are being hired. Credit on the salary scale shall be given with the provision that no new employee will be placed on a step higher than a currently employed member with equivalent work experience.

A service increment of three hundred dollars (\$300.00) based on a unit member's continuous employment in the Delran Township Public School System shall become payable at the issuance of the unit member's tenth, fifteenth, and twentieth consecutive contract or letter of intent.

Master Social Worker Degrees will be listed on the guide as a Master Degree plus thirty (30) credits.

All employees who are employed for more than one half ($\frac{1}{2}$) of their contract year shall be given full credit for one (1) year of service toward the next increment step for the following year. Example: twelve (12) month employees must work more than six (6) months; ten (10) month employees must work more than five (5) months.

- G. Direct Deposit

The Board shall provide a direct deposit program for all NUMs under these guidelines:

- 1. If the District's bank has no direct deposit procedure, this plan will not be in effect. If the District's bank's policy on direct deposit requires some

minimum number of participants and said minimum is not reached, this plan will not be in effect.

2. The Board is not responsible for the participation or non-participation of a NUM's bank. The banks to which checks may be deposited directly by the current District's bank are part of a national system, of which many, but not all, banks are a member.
3. There must be an understanding between the parties that the direct deposit system shall require an earlier "turn-around" time with respect to District business office completion of information in order to get records to the District's bank in time for direct deposit to the NUM's bank. Therefore, some payments to an employee may be delayed beyond the current parameters.
4. In addition to the agreements between the Board and the DEA, the parties are bound by bank rules with respect to direct deposit. If the District's bank changes, we are bound by the new bank's rules.
5. The Board will follow its normal procedures for the posting of the payroll. Delays resulting from a NUM's bank schedule or its policy on direct deposit, including when funds are posted and available, are not the responsibility of the Board. The District is not responsible for charges assessed to an employee resulting from errors in bank transmission, for the employee's premature withdrawals of funds, or for any charges that an employee's bank may apply to such direct deposit services.
6. The NUM can only enroll in direct deposit once a year. Such an enrollment application must be received by the Board office by June 15th. In the first year, the Board Office should receive the NUM's application at least ninety (90) days before the commencement date of the plan.
7. Unless prior approval is received from the Business Administrator, a NUM will only be permitted one (1) bank change during the July 1 to June 30 period in any year.
8. The DEA will guarantee that employees will immediately return to the Board of Education any funds which exceed those to which the employee is otherwise entitled.

Payment of tuition reimbursement for eligible employees who qualify will be at the end of each school year with reimbursement evenly distributed from the total pool available. The Board agrees to make available a maximum of \$41,399.00 for each year of this contract as reimbursement for tuition. These monies shall be utilized by teachers for graduate courses, and by all other NUMs for undergraduate and/or graduate courses from a duly authorized institution of higher education.

If prior written approval from the Superintendent is not obtained, tuition reimbursement will not be authorized. In addition, the NUM must present acceptable proof of achievement of a passing grade upon completion of said course and receipt for tuition paid. For purposes of this Article, a “passing grade” shall mean at least a “B” from a duly accredited institution of higher education.
 2. Courses which qualify for reimbursement may be on the graduate or undergraduate level and shall be related to the employee’s current or future job responsibilities.
 3. Courses necessary for certification will not qualify for this reimbursement unless prior approval is granted by the Superintendent.

ARTICLE XV --- Miscellaneous Provisions

- A. The Board and the Association agree that there shall be no discrimination and that all practices, procedures, and policies of the school system shall clearly exemplify that there is no discrimination in the hiring, training, assignments, promotion, transfer, or disciplines of Negotiations Unit Members or in the application or administration of the Agreement on the basis of race, color, creed, religion, national origin, sex, domicile, marital status, or age.

No grievance pertaining to discrimination in the hiring, training, assignments, promotion or transfer, or discipline of Negotiation Unit Members may be submitted to binding arbitration; such grievance, if not resolved at the Board level, may be submitted to the

appropriate forum such as the Division of Civil Rights, Commissioner of Education, or the Courts.

- B. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held contrary to law, then such provisions or applications shall not be deemed valid and subsisting, except to the extent permitted by law; but all other provisions, or applications shall continue in full force or effect.
- C. Terms and conditions of the master Agreement shall take precedence and control over any individual contract made with any NUM.
- D. This Agreement shall be posted online within thirty (30) days after the agreement is signed.
- E. Except as the Agreement shall otherwise provide, all terms and conditions of this employment applicable on the effective date of this Agreement to employees covered by this agreement as established by the administrative procedures and practices in force on said date shall continue to be so applicable during the terms of this agreement.

ARTICLE XVI --- Reduction in Force

For the purpose of information only, the Board policy for Reduction of Force is as follows:

The Board of Education reserves the right under State law to abolish unilaterally any existing position in whole or in part and to reduce the number of employees in any category for reasons of economy, reduction in number or pupils, change in administrative or supervisory organization, or other good cause.

Should it become necessary to reduce the number of employees in a district, the laws and regulations of the State shall be the controlling guides. If, in the case of such reduction, candidates for termination are non-tenured personnel only, selection shall be based in the first instance on the effectiveness of the employees and then on seniority in the district. If the effectiveness of two or more Negotiations Unit Members is deemed to be equal, then the least senior member will be released first. Tenured employees shall not be dismissed under the provisions of this article if such tenured employees' duties are to be performed by a non-tenured employee. If, as a result of such reduction, candidates for termination or reduction in grade are tenured employees, seniority shall be the determining factor; and if seniority amongst two (2) or more members is equal, then the following shall determine the order set forth as to which member will be terminated:

1. The Negotiations Unit member with the least number of certifications followed then by, if equal,
2. The Negotiations Unit Member with the least number of additional credits earned to his/her credit followed by, if equal,
3. The least effective Negotiations Unit Member.

The Board of Education with assistance of the Central Administration shall prepare guidelines for restructuring positions and for determining objectively which employees are to be dismissed as a result. The following are guidelines to assist the Central Administration in restructuring staff patterns and in determining those who would be affected by a reduction in staff:

A. Procedure for Eliminating a Position

A position may be eliminated by:

1. Reducing the number of employees in a particular category.
2. Combining two or more jobs into a single position or combining duties to an existing position among two (2) or more persons.
3. Eliminating a portion of a job and combining the remainder in one (1) or more existing positions.

B. Procedure for Reducing Staff

When the Board has approved the elimination of a position, there are responsibilities of the Central Administration.

1. The Central Administration must publish the seniority list of all employees in the affected category in accordance with procedure specified in NJ Administrative Code for Education (N.J.A.C. 6:13-1.10).
2. The Central Administration must indicate on the seniority list the employee's name, years of seniority in the district, whether or not he/she is a staff member, and the certificate(s) he/she holds.
3. In the event that two (2) or more non-tenured employees are immediately liable for dismissal or reduction in grade, a request from the immediate supervisor to the Superintendent should be made of all material relevant to their performance on the job.
4. In the event that two (2) or more tenured employees having seniority entitlement are immediately liable for dismissal or reduction in grade, the Central Administration must provide the same information as in 3. above.

5. The Central Administration must maintain an eligibility list of tenured employees dismissed due to a reduction in staff as a guide for reemployment whenever it occurs for a position for which the former employee is qualified. The parties expressly agree that this provision shall be subject to the grievance procedure.
6. The Association shall be supplied at all times with an accurate list of all personnel who are currently in layoff.

ARTICLE XVII --- Representation Fee

The Delran Board of Education, according to the N. J. Public Law, Chapter 466, P.L. 1979, will deduct Representation fees from member employees in the unit and will forward to the Association the Representation Fee in lieu of dues for services rendered by Association.

The Representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues less the cost of benefits financed through the dues available to or benefiting only its members. This Representation fee shall be levied at eighty-five percent (85%) of the regular membership dues.

ARTICLE XVIII --- Complaint Procedure

- A. Any complaints regarding a NUM made to any member of the administration by any parent, student, or other person which does or may influence evaluation of a NUM shall be processed according to the procedure outlined below.
- B. The principal or immediate superior shall meet with the NUM to appraise the NUM of the complaint, and he/she shall attempt to resolve the matter informally.
- C. The NUM shall have the right to be represented by the Association at any meeting or conferences regarding such complaints.

Article XIX --- Duration of Agreement

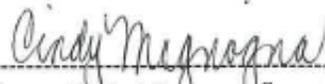

The provisions of this agreement shall be effective as of July 1, 2013, and shall remain in full force and effect until June 30, 2016, subject to the right of the Board and the Association to negotiate for modification of the agreement as provided in Article III of said agreement.

All Negotiations Unit members will submit weekly lesson plans on Monday morning. It is realized that a lesson plan is a brief, orderly, logical plan on a given topic designed to last for a specific period of time. Substitutes will utilize regular lesson plans unless otherwise directed.

- C. The practice of using a regular NUM as a substitute, thereby depriving him/her of his/her preparation period, is undesirable and shall be discouraged. In those cases where regular substitutes are not available, NUMs who volunteer will be used as substitutes during their non-teaching time. In the absence of a substitute, any NUM (including librarians) who serve in this way shall be compensated at the rate of \$36.74 per class in the 2013-2016 school years. In cases of extreme emergency, NUMs may volunteer to cover additional classes at the previously stated rate. Under normal circumstances, members will not be asked to cover more than one (1) day. If a teacher is required to attend additional evening meetings, compensation will be at the home bound instruction rate.

2. Every evaluation shall have a post-conference within fifteen (15) school days of the observation and shall include each of the observers who participate in the observation.
3. When two (2) or more observations will be done on a single NUM, there will be at least one (1) observation in each semester.
4. The Association and the Board agree that fairness and openness are critical components of any evaluation.
 - i. As such, the same evaluation tool should be applied to certificated staff members who share similar job responsibilities.
 - ii. However, the evaluation tool may be modified by the DEAC to reflect the unique job requirements of staff members who might face unique instructional challenges.
 - a. Examples of this might include special education teachers or guidance counselors as compared to regular classroom teachers.
 - b. A modified evaluation tool should then be used consistently for each certified staff member within that category of employee (a similar tool for all special education teachers, another for all guidance counselors, etc.)

- C. The Board will endeavor to do everything possible to keep involuntary transfers and/or reassignment at a minimum or to prevent them entirely, but reserves such a prerogative to itself.
- D. When an involuntary transfer or reassignment is necessary, consideration shall be given to a NUM's area of competence, major or minor field of study, length of service in Delran School District, length of service in the particular building, and other relevant factors, including among other things, state and/or federal laws, rules, regulations, or administrative directives, such factors to be consistent with statutory specifications and case law. Decisions in this area are not grievable.

2. A temporary transfer is defined as a transfer of an employee to any job other than his/her regularly assigned job and shall not exceed a period of four (4) weeks except that employees may be transferred within a labor grade within a unit for a period not exceeding thirty (30) days. Normally, the Board will use the employee of lower seniority to fill a temporary position.
3. If a transfer has been made for the period defined above, the condition shall no longer be considered as a temporary condition; and thereafter, the Board will make a permanent adjustment. However, the duration of a temporary transfer may be extended beyond the above limitation by agreement between the employee and the Association. All parties are expected to apply a reasonable application to these limitations taking into consideration the operating problems of the Board. Employees on temporary transfers shall retain and accumulate seniority in their currently assigned unit.

2. Payment for temporary transfer: An employee involved in a temporary transfer shall be paid his/her assigned personal rate or the rate of the job to which he/she is being transferred, whichever is higher.
3. This section shall not limit the Board from assigning an employee to duties within his/her job description.

D. Physical Disability Transfer

Transfers may only be made on jobs held by employees within the lowest three (3) years of Board seniority actively employed

at the time the request is made. Under such moves, the transferee takes full Board seniority to the unit into which he/she transfers. Only one such transfer is permitted unless the job is abolished thereafter.

3. Employees who are permanently unable to perform their regularly assigned job as a result of a Board-incurred disability may apply for a permanent transfer subject to the following condition:

The search by the Board for an appropriate job must be begun first by reviewing jobs held by employees with less than three years seniority and continuing the search at yearly intervals. In no event may the applicant displace an employee with more Board seniority. An employee transferred under this section relinquishes recall rights to his/her former job and carries his/her full board seniority into the unit wherein the new job is located.

4. An employee who has, as a result of a Board-incurred injury, suffered the loss of an eye or the equivalent of complete amputation of an essential body member may apply for preferred seniority on his/her regularly assigned job as long as he/she is physically able to perform the duties thereof. If the injury prevents his/her efficient performance on his/her regularly assigned job, he/she may request a transfer, whereupon the Board will attempt to place him/her in a job commensurate with skill and physical capability. An application approved under this section shall mean that the employee shall not be subject to displacement as long as he/she is physically capable of efficiently performing the duties of that job. The intent of this section is to protect employees who would find it extremely difficult to obtain other employment due to the type of disability covered under this section.

E. Disability Placement/Salary

1. Disabled employees shall be transferred to a job for which the disabled employee is physically fit and has the present skill and ability to perform the work required. The extent of any disability shall be determined by reference to competent medical reports.
2. The salary of an employee who does suffer a Board-connected disability will be the same as the salary prior to the injury, regardless of the job to which he/she is transferred.

Such payment shall be made for any absence during the period that the employee received or may have been eligible to receive temporary disability benefits under the Worker's Compensation Law. However, any amount of salary or wages payable to an employee pursuant to this provision shall be reduced by the amount of any Worker's Compensation award or benefits made to the employee for temporary disability (18A:30-2.1).

ADDENDUM I --- BUS DRIVERS

BUS DRIVER ARTICLES

ARTICLE B-1 --- Definitions

Contract #1 - a four (4) hour day, transporting children who attend school for a full day.

Contract #2 - drivers will be paid for actual driving time to transport children who attend school for one-half (1/2) day, i.e., Kindergarten Program, Bright Eyes, etc., and children who are involved in inter-school programs where transportation occurs on a daily basis, i.e., Ace Program.

Seniority - seniority shall be defined for the purpose of this Agreement to mean continuous length of service as Contract #1 bus drivers for the Board. Any Board employee who transfers to the bus drivers' group shall be on Step #1 of the current salary scale.

ARTICLE B-2 --- Work Schedule

A. Contract #1

1. Each scheduled Contract #1 run will consist of four (4) hours, including a maximum of thirty (30) minutes a day for warm up of bus, record-keeping, gassing bus, etc.
2. The time will be divided between morning and afternoon and will be continuous time, excepting when an assigned school has a half-day (1/2) session.
3. Runs are to be arranged at the beginning of the school year as equally as possible.
4. Drivers may exchange runs with one another when a public school is open and the non-public school is closed or when a public school is closed and a non-public school is open provided:
 - a. both drivers mutually agree,
 - b. established route will be followed with no deviation,
 - c. the transportation coordinator has been informed and has given authorization.

B. Contract #2

1. Each scheduled Contract #2 run will constitute a full contract for actual driving time with no extra time for record keeping, etc. Number #3 and #4 under "A" above will also apply to Contract #2.

C. Selection of Contract #1 and #2

1. All scheduled runs will be made up of several routes. These runs will be available, prior to the beginning of each school year, and selection will be according to seniority. Each driver, if possible, will retain previously assigned vehicle.
2. Date for selection of runs shall be established before close of the school year in June. If, for any reason, a driver cannot be present for selection of runs, said driver shall be permitted to contact administration by telephone to select run at a time agreed to by both parties. Said driver cannot be by-passed in selection of run until both parties have agreed by telephone, barring unforeseen problems, which would not allow the two parties to speak to each other. Administration would then assign a run to an absent driver.
3. When an entirely new run has been created, i.e. a series of routes have been combined to form a new run, or when a vacancy exists on an existing run, and it is determined by the Board or the existing administration that a vacancy is to be filled, said new run shall be posted on the bulletin board in the transportation office for a period of five (5) working days. Any driver who is currently working may select the run within the five (5) day period.
4. New run selection will be submitted by signing and initialing the posted notice.
5. In the assigning of runs referred to above, seniority shall be the deciding factor, provided the selected driver has the necessary qualifications and license. If any open run referred to in this article is not selected, in writing, after being posted for five (5) working days, said run will be filled from outside the Contract #1 driver group.
6. The Board or coordinator may fill any posted vacancy on a temporary basis pending the permanent assignment of a driver in accordance with the provisions of this article.
7. If any driver accepts a Contract #2 and does not fulfill said contract, driver forfeits the right to apply for any new or vacant Contract #2 runs which occur during the balance of the school year or until all other drivers have had the chance to apply.
8. If a Contract #2 run is deleted during the school year, driver of said run may bump the driver of a Contract #2 run with the lower seniority.
9. If any driver refuses a Contract #2, the driver forfeits the right to apply for any new or vacant Contract #2 run which might occur during the balance of the school year until all other drivers have had an opportunity to apply.

10. The Board shall compensate employees for attendance at general meetings called by the Transportation Coordinator or his superior at the extra driving time rate after the first three (3) meetings.
11. The Board and the Association agree to mutually develop a run selection schedule.

D. Extra Driving Time

1. Contract #1 drivers will be paid at the rate agreed for extra driving time. Extra driving includes class/sports trips, substituting on contracted runs and other transporting of students or other assigned driving beyond normal to and from runs per school calendars.
2. If extra driving time is assigned, driver shall be paid a minimum of one-half (1/2) hour for driving that is contiguous to driver's regular run, one (1) hour minimum otherwise. Contiguous time shall mean no more than fifteen (15) minutes from end of regular run to beginning of assigned driving duty. When a driver arrives at school and is then informed that the trip has been canceled, a minimum of two (2) hours, at the rate for extra time, will be paid to said driver.
3. The driver of a canceled trip shall be placed first on the seniority/rotation list.
4. Coordinator, mechanic or any other employee of the board who has a bus driver's license, in addition to a regular contracted job with the board, shall not be assigned to extra driving time until all Contract #1 and Contract #3 drivers have been given the opportunity to accept/refuse. Acceptance or refusal must be given to the coordinator within sixteen (16) hours. A contract #1 driver cannot take extra driving time which would interfere with his/her normal Contract #1 obligations.
5. In an emergency, where time does not permit the coordinator to utilize the seniority/ rotation list, the coordinator has the authority to assign trip to first available Contract #1 or Contract #3 driver. If one of these drivers proves not to be available, any employee with a bus driver's license may be used.
6. All extra driving time will be assigned on a seniority and rotation basis. At least twenty-four (24) hours notice must be given to the driver, more if possible. When twenty-four (24) hours notice is not given, refusal of a trip is not considered a turn in the rotation/seniority process. When a driver becomes ill after accepting a trip and does not report for work or becomes ill after reporting for regular run; when a driver is on an official emergency leave such as death in the family or critical illness in the family; when a driver is on an extended school holiday, i.e. winter and spring vacation, etc., if that driver is contacted after the holiday begins, refusal will not count, acceptance will be counted on the seniority/rotation process. A driver who has a license to drive only Type II will not be asked to take runs on a Type I vehicle. Only refusal of a Type II extra driving assignment will

count as that driver's turn. Notification of the availability of extra driving assignments will be placed in the mailbox of the driver next in rotation prior to either the AM or PM run of that driver.

7. All Contract #1 drivers must sign up at the beginning of the school year to be eligible for extra driving time and Contract #2 substitution. A driver signing a Contract #1 contract after school begins must sign up within a week after notification of permanent employment. Selection of drivers for extra driving time shall be made from these lists on a seniority/rotation basis.
8. A trip assignment shall include written address and directions for destination. The driver, upon presentation of receipts, will be reimbursed for parking fees when free parking cannot be found within a reasonable distance of the event.
9. Outside contracted busses shall be used only when all Delran busses, with Delran contracted drivers, are positively known to be unavailable.
 - a. The Board may opt to contract outside busses for trips over one hundred (100) miles one way.
10. For inspection only - If available, each Contract #1 driver will take his/her own bus for inspection twice a year. Contract #1 drivers will substitute for an unavailable Contract #1 driver according to seniority. Contract #3 drivers will be used only when all Contract #1 drivers have refused to drive. A minimum of one (1) hour's pay, at the current rate for extra driving time, will be guaranteed. If more than one (1) hour is necessary, any extra time needed will be compensated at the same rate of pay.

ARTICLE B-3 --- Employees' Duties

All drivers will drive scheduled runs as selected; gas bus as necessary; keep all windows clean; keep the interior of the bus litter-free; keep records on a daily basis; report discipline problems to the coordinator; maintain discipline on the bus; and obey all state regulations and Board and Administration policies. State regulations and Board and Administration policies pertaining to transportation shall be given to each driver at the beginning of each school year and whenever new regulations and policies are established.

ARTICLE B-4 --- Employees' Benefits

A. Sick leave

1. Ten (10) days paid sick leave per Contract #1. This is for contract year and shall be accumulated from year to year with no maximum limit.

- B. Reimbursement for driver's license and required physical: A driver shall be reimbursed for charges for required driver's license (bus driver's), physical examination, fingerprinting, and CDL testing as required by the State Motor Vehicle Division. The maximum reimbursement for such itemized bills shall be one hundred and fifty dollars (\$150.00) every two (2) years.
- C. Reimbursement for court appearance: For the safety of the children, a driver shall be reimbursed for time spent in court when summoned to appear as a witness for the state concerning school bus violations. The rate of reimbursement shall be that of extra driving time.
- D. Class/Sport Trips
 - 1. When a bus or busses are sent on a trip, each driver may request a contracted Delran School bus driver to ride on the bus for the following reasons:
 - a. Safety reasons: i.e. unsafe and undesirable parking locations, often a distance from the place where children are dropped off. The driver has to remain with the bus in unsavory areas and has to return to an empty bus after attending an event, locking, and unlocking the bus, particularly at night.
 - b. Helping with directions: visible, on the job directing, either driver or rider showing good or bad points about using certain roads to reach destination and parking facilities.
 - 2. There will be no salary involved, the rider's work schedule cannot be changed, and space should be available on the bus. The driver or rider will not be used as a chaperone. The name of the rider must be written on the trip sheet and acknowledged by the coordinator beforehand.

E. Reimbursement
